

betas[®]
glassmosaic

“ tarihi
binlerce yıl önceye dayanan,
sanatı
dünden bugüne
ve
yarınlara taşıyan
cam mozaik ”

40 yıl önce heyecan dolu bir girişim olarak
başladığımız üretimimizi bugün de aynı duygu ve
dinamizimle geliştirerek sürdürüyoruz.

Betaş ailesi olarak cama sanat katmaya
devam edeceğiz.

www.betascammozaik.com

Hakkımızda

Firmamız, Betaş Cam Mozaik, 1984 yılında FİRÜZKÖY, AVCILAR, İSTANBUL fabrikamızda bir hayal olarak temelleri atılan ve 1989 yılında %100 kapasiteyle sadece cam mozaik üretmenine odaklanan, Türkiye'nin en eski Cam Mozaik üreticilerinden bir tanesi ve sektörünün öncüsü konumundadır.

1989 – 1999 yılları arasında özellikle İstanbul ili olmak üzere Türkiye'de ki birçok inşaat sektöründe bina dış cephe uygulama & kaplama projesine ürün tedarikinde hizmet sunmuştur. 2000'li yılların başında firmamızın en temel ilkesi belirlenmiştir.

Cam Mozaik sektörünün milenyum içinde ki gelişimi dikkatlice gözlenerek üretim teknolojileri ve nitelikli eleman yatırımları yapılarak sadece Türkiye'de inşaat sektöründe değil, yurt dışı Cam Mozaik üreticilerine dahi en iyi kalitede ürün sunabilecek seviyeye çıkıp ihracat hamlelerine başlanmıştır.

Betaş Cam Mozaik 'in Sektöründe en başarılı ihracat firması olması için atılan adımlar doğrultusunda değişen piyasa koşulları yerinde ve zamanında takip edilerek; Havuz, Spa, Hamam ve her türlü Islak zemin projelerine uygun niş ürünlerin üretimine başlanmıştır.

Türkiye'de sektöründe ilk defa Betaş Cam Mozaik, İtalyan teknolojileri kullanarak, Cam Mozaik sektörün de çığır açan el değmeden kaliteli & teknik ürün üretim sistemine geçmiştir. 2008 Yılında Türkiye'de ilk ve tek zamanın en önemli uygulaması DOT'lu mozaik üretim sistemini başlatıp, ihracattaki başarısını arttırmış.

Gelişen ve yenilenen üretim sektörü, firmamızca yakından takip edilip 2018 Yılında poliüretan yapıştırıcı uygulama sistemi olan POLYBOND üretimine geçerek çıtayı erişilmesi zor bir noktaya taşımıştır.

Kurulduğu günden bu zamana kadar sektöründe her zaman lider ve öncü olmuş, ilk hedefi gururla ürettiği Türk menşeli ürünlerini Yurt Dışı rakiplerinin önünde 30'dan fazla yabancı ülkede çok değerli müşterileriyle buluşturulmaya gayret etmiştir.

Ülkemizin kazancı, hepimizin kazancıdır. Betaş Cam Mozaik var olduğu sürece Üretim, İstihdam, Kalite ve İhracat birinci önceliğimiz olacaktır.

Saygılarımızla

BETAŞ CAM MOZAİK

About Us

Our company, Betas Glass Mosaic, is one of the oldest Glass Mosaic manufacturers in Turkey and the pioneer of its sector, which was founded as a dream in FIRUZKÖY, AVCILAR, ISTANBUL in 1984 and focused on producing only glass mosaics with 100% capacity since 1989.

Between 1989 and 1999, Betaş provided services in the supply of products for building exterior application & coating projects in many construction sectors in Turkey, especially in Istanbul.

At the beginning of the 2000s, the most basic principle of our company was determined. By carefully observing the development of the Glass Mosaic industry in the millennium, investments in production technologies and qualified personnel have been made, and export moves have been started by reaching the level that can offer the best quality products not only to the construction sector in Turkey, but also to foreign Glass Mosaic manufacturers.

In line with the steps taken for Betas Glass Mosaic to be the most successful export company in its sector, the changing market conditions were followed on time and on site; the production of niche products suitable for Pool, Spa, Turkish bath and all kinds of wet floor projects has started.

For the first time in its sector in Turkey, Betas Glass Mosaic has switched to a groundbreaking quality & technical product production system in the Glass Mosaic sector by using Italian technologies. In 2008, Betaş started the new mosaic production system, DOT mounting system, the first and only company who could provide this application system in Turkey. With this new technology, Betaş increased its success in exports.

The developing and renewed production sector has been followed closely by our company and in 2018, Betaş moved the bar to a point that is hard to reach by its competitors; the polyurethane adhesive application system or “POLYBOND” as we call it, has started.

Since its establishment, Betaş Cam Mozaik always been a leader and pioneer in its sector. Our first goal has been to bring Turkish Made products, which has been produces with pride, to its very valuable customers in more than 30 foreign countries in front of its foreign competitors.

Our country's gain is our gain.

As long as Betas Glass Mosaic exists, Production, Employment, Quality and Export will be our first priority.

Best Regards

BETAS GLASS MOSAIC

Polybond

Polybond Mounting Applications

Geçtiğimiz on yıl boyunca, fileli, kağıt ve naylon montajının yanına Türkiye'de ilk ve tek olan Dot montaj sistemi getirildi ve yine bir ilk olan yeni poliüretan teknolojsi "Polybond" montaj sistemimizi üretimimize ekledik.

Past decade, we have introduced DOT mounting system to our production range, along with Mesh mounting, paper mounting & nylon mounting; and now we added our new polyurethane technology "POLYBOND" mounting system.
